

Recreational Court Dimensions

Court Measurements are to the outside of the lines

* Posts should be placed 3' to 4' from each side line, 30' 7" from each other.
 Adjacent courts built side-by-side are recommended to have a free space of 16' to 20' and may share free space. If adjacent courts are situated end line to end line, 29' 6" of free space is recommended.
